Completed Course Navigation Map (Fictional Illustration)

FICTIONAL EXAMPLE: These menu labels and deadlines illustrate the course scavenger hunt process for Alex Morgan; use the instructions in your own course.

Course: ENGL 1010 / 01 | Student: Alex Morgan | Review date: Monday of Week 1

What Alex Needs	Where Alex Found It	What Alex Recorded
Starting instructions	Course home -> Start Here	Read the weekly overview before starting tasks.
Announcements	Course home -> Announcements	Instructor clarified the reading pages.
Current unit	Modules -> Week 1 -> Overview	Reading, introduction, and short response.
Next assignment	Week 1 -> Reading response	Due Thursday, 8 p.m., course time zone; closes Sunday.
Discussion	Week 1 -> Introductions	Initial post Wednesday; replies Friday; both 11:59 p.m.
Grades and feedback	Grades -> activity name	Check comments and rubric after grading.
Help and contact	Start Here -> Contact / Help	Use instructor's stated email method; IT for sign-in errors.

Alex's Next Seven Days

- Monday: Read the updated overview and begin the assigned reading.
- Wednesday: Complete the introduction by its verified deadline.
- Thursday: Submit the reading response before 8 p.m. (Sunday closing date is not permission to postpone).
- Friday: Complete the required discussion replies.
- Next review: Check announcements, the next unit, and new feedback.
