Your Submission Verification Record

Record what you checked after submitting. A record helps you explain a problem and locate your final work; it does not replace the course's official submission record.

Course / Week of

Assignment / final file or response	Displayed submission date and time	Confirmation location / checked result

For Each Submission

- ☐ I used the correct course, activity, and submission method.
- ☐ I sent the complete final version in the required format.
- ☐ I completed the final submission or publishing step.
- ☐ I checked the submission details or published response.
- ☐ I retained the final work and any useful confirmation.

An issue still unresolved and my next action
