Completed Test Preparation Example (Fictional Illustration)

FICTIONAL EXAMPLE: This course uses a flexible start, a 60-minute limit, and a requirement to finish by Friday at 8 p.m. Its rules are for illustration only.

Student: Alex Morgan | Course: COLL 1010 / 03 | Test: Unit 2 assessment

Preparation Detail	Alex's Record
Time plan	Start Friday at 6:30 p.m.; be ready for setup by 6:10 p.m. Deadline: 8 p.m., course time zone.
Required setup	College-provided secure-browser link and webcam check. Instructor's current directions reviewed.
Practice result	Practice activity completed Tuesday on the same laptop and connection. Confirmation checked.
Permitted materials	One page of notes; no phone, messaging, websites, or outside assistance.
Workspace	Quiet room reserved for setup and the full test. Laptop connected to power.
Support plan	College help-desk contact recorded; approved tool help available; instructor contact saved.
Remaining check	Verify the attempt shows the approved settings before starting; resolve any mismatch first.
